Event Liability Insurance

Each Rental Client is responsible for General Liability for their event(s). It is highly recommended that each Rental Client/Organization be insured.

To cover insurance needs, there are a number of options:

- If you have 3rd party insurance, the KBCA requires proof of insurance via a Summary Insurance Certificate (typically renewed on an annual basis). A minimum of 2,000,000 coverage is required.
- The City of Ottawa provides low-cost one-time event coverage through to annual coverage for General Liability via the Parks and Recreation Risk Insurance Program (PRCSrisk) also known as the User Group Liability Program (UGLP). The Community Centre Coordinator can provide a quote and details.
- For low-risk events (e.g. meetings, religious services, bridge clubs) you can choose not to have insurance coverage, but this is entirely at you or your organization's own risk.
