Local Skating - Stephen Leacock Rinks now open

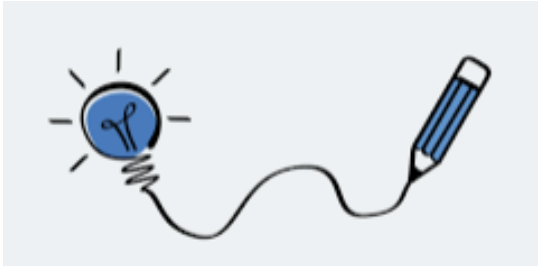

The First Kanata Scouts (sponsored by the City of Ottawa through the KBCA) maintain two outdoor ice rinks on the Stephen Leacock School property (25 Leacock Drive)

- An open "puddle" rink (no boards)

- A hockey rink (with boards)

These are finally open and will remain open until the end of March. However, significant snow and above 0c temp can cause the rinks to close for a day or so.
